

Dear Manager:

For over 92 years, Boy Scouts of America has enabled scouts the opportunity to become contributing and productive citizens. In addition to the outdoor activities and our four campsites, the Northeast Illinois Council – *Boy Scouts of America* supports:

- Anti-drug programs
- Career-oriented activities
- *Special Needs Scouting* programs which serves developmentally challenged individuals
- Outreach leadership and mentoring programs for boys and girls of all ages

Please visit our website for more info: www.neic.org

As we approach the Boy Scouts' largest fundraiser, our annual Popcorn Sale, we would like to thank local businesses that have supported our continuing efforts to prepare youths for the future. What distinguishes the Boy Scouts Popcorn Program from other fundraisers is 70% goes directly to the youths in your community. In addition to sales awards, scouts can earn college scholarships for successful sales efforts.

I am writing to request an opportunity to sell popcorn for the following dates outside your business. Adult leaders will be on-site with the scouts to conduct this program.
